## USAGE

FAST  
&  
FLAT

1. After applying the tile adhesive:
  - Slide the clips under the tile.
  - According to the size of the tile, one or more clips per side.
  - Tapping the tile.
2. Slide the wedge into the opening of the clip.
3. Use the plier to facilitate insertion.
4. Once the tile adhesive is fully dried, you can break the top part of the clips with a rubber mallet or the shoe in the direction of the joint.
